

Garden Club Sees Films On Plant Life

Mrs. Phillip Lisman and Mrs. W. Hickox were co-hostesses at last Wednesday's meeting of the Torrance Terrace Garden Club, which was held at Mrs. Lisman's home at 1503 Post Ave. Twenty-five members were in attendance.

Two films, one on plant life and another on rose culture, were shown by Mr. Robert Draper, a representative of the California Spray Chemical Co. Mrs. H. L. Mitchell was program chairman for the meeting.

Plans were made for the planting of a tree in the kindergarten play area of Halldale school on Friday, March 6, at 2 p.m. The ceremony will commemorate Arbor Day, March 7.

Mrs. Douglas McClay disclosed that three entries are planned for the International Flower Show, which opens at Hollywood Park Race Track later this month.

Guests at Wednesday's meeting were Mrs. Eddy Campbell, Thomas McCutcheon, Arthur Bello, E. Bernard, J. R. Gordinier, Paul Loranger, Gil Derouin and Kenneth Figgins, according to Mrs. Minot Rugg, press chairman.

the AUTOMATIC ICE-MAKER

IN THE 1953 SERVEL GAS Refrigerator

Makes ice cubes without trays and puts them in a basket—automatically

See a demonstration today. Don't buy a new refrigerator until you see the new 1953 Servel Gas Ice-Maker Refrigerator. It's the biggest advance since the invention of silent, flame refrigeration—and... gas has got it! With the Ice-Maker, you have no trays to fill or spill, none to empty or forget to refill. But the Ice-Maker automatically keeps a basketful of

super-size, super-cold IceCircles ready for you at all times.

The 1953 Servel Gas Refrigerator is operated by the long-famous Servel Gas refrigeration unit... the only one that's permanently silent, that has no moving parts and that carries a 10-year guarantee. Visit your Servel dealer or Gas Company—see the new Servel Gas Ice-Maker Refrigerator.

the AUTOMATIC ICE-MAKER

IN THE 1953 SERVEL GAS REFRIGERATOR

Makes ice cubes without trays and puts them in a basket—automatically

Have all the ice cubes you want without doing a thing! Install the 1953 Servel Gas Ice-Maker Refrigerator.

This new feature is the greatest advance since the invention of silent, flame refrigeration. And... gas has got it! The Ice-Maker starts itself... refills itself... stops itself... constantly keeps a basketful of IceCircles ready for use. This means no trays to fill, no trays to spill, no trays to empty or forget to refill.

The 1953 Servel Gas Refrigerator has all the exclusive advantages that makes gas refrigeration best. The Servel Gas refrigeration unit is permanently silent, makes ice and cold without moving parts, lasts longer and carries a 10-year unconditional guarantee. Now the superior Servel Gas Refrigerator offers you the exclusive Ice-Maker, too. Why be satisfied with less? See your Servel dealer or Gas Company tomorrow.
